

Ride the Carousel Circuit 2022 Guide

Memorial Day to Labor Day

Sponsored by the
Susquehanna Heritage Area & Broome County

Collect an individual “I Rode the Carousel” card from each of the 6 participating Greater Binghamton carousels: **Recreation Park Carousel, Ross Park Carousel, C. Fred Johnson Park Carousel, George W. Johnson Park Carousel, West Endicott Park Carousel, and Highland Park Carousel.** Cards are available at each site throughout the summer.

After you collect one card from each carousel, present your 6 cards to a carousel park attendant who will validate your cards and present you with a commemorative “I Rode the Carousel Circuit” button. The carousel button includes the words “Susquehanna Heritage Area” because the carousels are significant historic resources of the beautiful Susquehanna Heritage Area.

Remember when you visit the **C. Fred Johnson Park** carousel to take note of the restored carousel enclosure and when you visit the **Recreation Park carousel** to take note of the restored horses and panels.

Operating times and locations for the carousels are listed in the Treasures brochure from Visit Binghamton at: <http://www.visitbinghamton.org/things-to-do/carousels/>. Brochures are also available at Roberson Museum and Science Center (30 Front Street), Endicott Visitor Center (300 Lincoln Avenue), The Discovery Center (60 Morgan Road), Ross Park Zoo (60 Morgan Road), Binghamton City Hall (38 Hawley Street), and at each carousel when open. .

Unique carousel animals exist on our special collection of historic carousels. Every carousel animal is a “jumper”! All carousels, except C. Fred Johnson Park Carousel, include stationary chariots with seats. Always check with individual parks if you are planning a special group trip or if you have questions about the park facilities. Their phone numbers are found in the carousel brochure (see above for website link).

Seasonal hours of operation sometimes change so printed times might not be accurate. Inclement weather and mechanical problems can cause temporary closures. If this occurs and you are unable to return later, your visit will be honored by the park directly or by calling one of the telephone numbers below.

Each carousel ride is **FREE** of charge and has been so since their donation by the great industrial benefactor, George F. Johnson and his family.
